

Facilities, Support Services, and Technology (FSST) Committee

Year-End Report

May 4, 2011

The year began with a communication from the President of the Senate expressing concerns over various parking issues. Nabelah Ghareeb, Associate VP of Business and Auxiliary Operations and Dr. Datta from the College of Engineering were invited to discuss the matters with the FSST Committee. Over the next few months, follow-up parking concerns from FSST Committee members were related to Parking for further clarification.

The FSST Committee spent a considerable amount of time discussing technological issues. Topics of interest to the committee and invited speakers at the FSST meetings over the year included:

- Nabelah Ghareeb, Associate VP of Business and Auxiliary Operations, and Dr. Datta, College of Engineering (also joined by Dr. Gates and James Sears): ***Discussion of Parking-Related Issues***
- Joseph Sawasky, Chief Information Officer and Associate Vice President: ***Issues with Forwarding WSU E-mail Messages to External Email Providers***
- Veronica Bielat, Librarian and Instruction Services Coordinator: ***“Library Resources” Button in Blackboard***
- Anthony Holt, Chief of Police: ***Draft Surveillance Policy***
- Daren Hubbard, Sr. Director, Academic and Core Applications: ***Enhancements to the WSU Directory***
- Paul Gallagher, Developer Librarian, and Joshua Neds-Fox, Web Librarian: ***Mobile Library Web Site***
- Dr. Nardina Mein, Director, New Media & Information Technology: ***Lecture Capture Pilot Project***
- Tom Duszynski, Director, Quality, Communications, & Compliance Team, C&IT: ***Results of IT Services Survey***

The Policy Committee asked the various committees to review and comment on the Parking Operations: 5-Year Business Plan. As requested, comments from FSST Committee members were collected and shared with the Policy Committee. Members of the FSST Committee were also asked to review and comment on the Retention Implementation Report.
