

Charges to Budget Committee 2024-25

- Hold an annual meeting to review and report on Development Office's budgets and productivity (and include particular attention to information about increases in numbers and types of funded faculty titles)
- Request a full reporting on the Medical School budget, including FMRE and PEPPAP as well as General Fund sources and uses
- Ask for a report on first year of block tuition (including summer 2024) and how credit registration compares in Fall 2024
