

Charges to CIC 2024-25

- Consider potential solutions for the WE course requirement (currently suspended for the second full year) in collaboration with FAC
- Work with Registrar, C&IT and Provost Office, in collaboration with FAC, to align grade change, waitlist and similar policies to apply university-wide, including appropriate notice to faculty and, in the case of grade changes, appropriate summary reports to faculty of unit involved
- Continue consideration of courses that result in high numbers of DFWs, including in-depth review, if needed, of particular courses that appear to act as roadblocks for student progress
