

### **Charges to Student Affairs Committee 2024-25**

- Review safety practices in student housing, residence access and desk assistants training, and consider general provisions for housing/dining contracts with Auxiliary Services personnel
- Review student free expression policies, especially given new website with general statements, increased reservation policies for outside spaces, and new stated restrictions on use
- Work with Policy Committee on re-establishing a reasonable, journalistic form of *South End* governance that encourages student responsibility and control of output
