

Charges to Standing Committees 2023-24

CIC:

- With FAC, consider recommendations for FIGs, especially regarding incentives for faculty to develop such FIGs in their fields
- Develop syllabus proposal, in coordination with FAC, to be shared with Policy for potential vote at plenary and forwarding to Provost's Office
- Review proposed Student Code of Conduct changes on academic misconduct from ad hoc AI Committee and any others needed
- With FAC, consider how grade change appeals processes work across the various schools/colleges and recommend centralized minimum standards and notice to faculty in particular cases as well as annual reports to each school/college faculty council
- Continue consideration of courses that result in high numbers of DFWs
- Consider any other unnecessary administrative hurdles within the scope of your committee that could be removed and whether these would require statutory changes? Dean or chair directives? Faculty activism? Etc.
- With FAC, consider how the role of ombudsperson should function, including the possibility of a faculty member serving as faculty ombuds officer with release time
- With FAC and SAC, consider the university's policies governing the South End student paper and whether they are appropriately set up to allow student independent journalism while providing an appropriate faculty advisory board
