- I. Report on disability and accessibility at WSU
  - a. Nikki Wright - Dir, Equal Employment Opportunity, Office of General Counsel and ADA coordinator
    - i. Issues regarding accessibility can reported to a hotline (report the problem to the ADA coordinator at **313-577-9973** during normal business hours for non-emergency issues) or emailed at website link (<https://wayne.edu/accessibility/report-barriers/>)
    - ii. There is a plan to reinstate an advisory ADA Committee comprised of Ms. Wright, faculty and students who report to the Advisory Compliance Committee.
    - iii. For issues with the parking structures, contact Jon Frederick.
  - b. Randie Kruman, Director, Student Disability Services
    - i. These services focus on student academic accommodation.
    - ii. A presentation was given on services provided for students. The services are used by over 1300 students/semester and the office is housed at the Academic Success Center.
- II. Update on TravelWayne – S. Asli Ozgun-Koca, member FSST and TravelWayne committee
  - a. A survey to all users of TravelWayne has been administered. Responses will be compiled and decisions on how to move forward will be based in part on that information.
- III. Update on Childcare facility implementation – Anne Rothe, member FSST and Childcare facility implementation committee
  - a. Space for the facility remains the main concern. The new student housing facility is no longer an option. Other possibilities include new construction and Donaldson House.
  - b. Responses to have the RFP have been received.
  - c. An upcoming meeting is scheduled for the latter half of March.
