

New Graduate Faculty Criteria Passed by Graduate Council

- 3 publications in the immediate past 4 years (phased in by 2015)
- Newly hired assistant professors 1 publication in past 4 years
- List of “publications:”
 - Refereed journal article
 - Juried performance
 - Patent
 - External grant
 - Other scholarly works (including books)
considered for tenure and promotion
- Worked on by Graduate Council for 10 months
- Approved by Academic Standards Committee of Graduate Council
- Passed unanimously by Graduate Council

Changes to Criteria Recommended by Policy Committee

- Units propose to Graduate School proper criteria for Graduate Faculty status
- Graduate School approves or rejects proposed criteria
- If criteria are rejected, unit Dean or Chair meets with Graduate Dean and Provost to negotiate the criteria
- Units are allowed to exempt Assistant Professors from this policy
