- \*2. Proceedings of the Policy Committee: The Proceedings of the Policy Committee meeting of July 27, 2009, were approved as submitted.
3. Statement on the FY 2010 Budget: Mr. Wolfson distributed the memorandum dated July 30, 2009, that he sent to President Noren. The memo summarized the principal issues that the Policy Committee had raised in its discussion about the FY 2010 Budget with the President on July 27.
4. Board of Governors Budget and Finance Committee Meeting: Mr. Volz and Mr. Parrish, the faculty representative and faculty alternate representative respectively to the BOG Budget and Finance Committee, updated Policy Committee on the working session held on August 21, 2009.
5. Increase in Parking Fee: Mr. Woodyard spoke in opposition to the increase in the parking fees that is included in the budget for FY 2010. Since early 2009 he has served on the University Parking Committee and has worked with Associate Vice President Nabelah Ghareeb to get information about costs and the needs of the Parking Authority in order to justify an increase. Some progress was made, but Mr. Woodyard does not believe that the increase has been justified. Mr. Woodyard was asked to write a statement for support by the Policy Committee.

[Provost Barrett left the meeting.]
