

Wayne State University Elevator Overview

Facilities Planning and Management
Rob Davenport, Associate Vice President

ELEVATOR PLANT

- **Total Number of Elevators on Campus : 170**
 - Passenger Elevators: 129
 - Freight/service elevators : 28
 - Dumbwaiters/Lifts : 13
 - Occupied Buildings: 126 elevators
 - Not Occupied Buildings : 7 elevators
 - In Parking Structures: 17 elevators
 - Housing(Under Corvias contract): 20 elevators

MODERNIZATIONS

- **Age Of Elevators**
 - The oldest elevator we have on campus is at Engineering Technology installed in 1916
 - The average age of elevator on campus is 23 years
 - The university has 35 buildings with elevators more than 20 years old and 12 buildings with elevators between 10 – 20 years
- **Elevators Under Contract for Renovation/Modernization**
 - There are 9 buildings on campus with 17 elevators currently funded for modernization/renovation
 - Out of the 9 buildings, 7 of them have elevators that are more than 20 years of age
 - Total approved budget for elevator modernization: \$5,633,000.00
- **Assessment/Study**
 - Budget allocated for elevator assessment is \$ 114,223.00
 - A campus wide elevator assessment started on December 2019 with an estimated date of completion by June 2020
 - The Parking structure elevator study included 15 elevators in the structures and was completed by November 2019
 - Housing elevator study was done by Corvias
 - When the assessment is complete , estimate budget ad priority list will be available for the university to utilize for capital expenditure
- **Major Capital Projects: Including elevator modification**
 - Hilberry Theatre- The project includes modernizing existing elevator and adding an additional lift
 - STEM building – The project includes modernizing 3 existing elevators in the building
 - State Hall – The project includes modernization of existing 2 elevators and also adding an additional elevator to meet ADA requirements

DAILY MANAGEMENT

- **Daily Report**
 - Repair strategies based on daily failure activities
- **Schindler Support**
 - Reevaluate the maintenance contract with Schindler
 - **Weekly meetings with Schindler**
 - **Moving Schindler technicians to FP&M Building**
 - **Elevator status updates:**
